

Available with black or Para Para wavy blond

Suction hose industrial abrasive products in bulk.

This hose is designed for applications **suction and discharge of abrasive materials such as sand, rubble, dust, chips, pellets ...**

Due to its lightness, it's a hose extremely **flexible and adaptable.**

Examples of applications:

Central vacuum, industrial vacuum, industrial cleaning truck

## Caractéristiques techniques :

### Inner tube:

Based rubbermixtureNR / BR, smooth, anti-static, having excellent abrasion resistance.

### Reinforcement:

And synthetic textile spirale embedded in the wall.

### Siding:

SBR black, canvas embattled, abrasion resistant and antistatic

### Temperature:

Of -30 ° C to +70 ° C

## Spécifications techniques :

Pressure resistance(bar):3

Safety factor:3

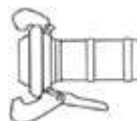

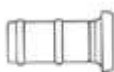

Suitable for vacuum(mmHg):800

Maximum length (m):40

Diameter	RC (mm)	Weight (Gr/m)
51x67	120	1720
80x97	200	2720
90x107	240	3140
102x120	300	3750
127x146	440	4620
152x171	600	5550

Other diameters on request
