

FOOD EXTREME S

APPLICATIONS - ADVANTAGES

High Quality hose for Beer meeting this industry specs.

Universal hose for alcohol liquids (beer, wine...) and non alcohol liquids transfer for all fatty/oil products. Tasteless and odourless. Its construction allows to accept a vacuum up to 0,9 mmHG, by far above what a usual beer hose can accept. Due to its slippery cover it can be installed and removed very easily.

Approved by « TECHNISCHE UNIVERSITAT MUNCHEN WEHENSTEPHAN »

HOSE DESCRIPTION

Pale CR/NR tasteless odourless rubber smooth mirror like. Accepts all usual cleaning products of the food industry.

High resistant textile plies and embedded helix

Use temperature: **from -30°C up to +90°C; peak to 130°C in sterilisation phase for 30 minutes.**

EPDM synthetic rubber based, orange, wave aspect, slippery.
